Re: Civil Docket 1:07-cv-001185 Henry v. Gonzales

Greetings Mr. Haaten,

I give you notice and Knowledge that I would like a copy of the current docket for Civil Case 1:07-cv-001185. I would also like an explanation, if the allegation of the Respondents is true, as to why my summary judgment which I submitted on August 21, 2007 via Registered Mail by Canada Post contains only one page. This is a major and serious obstruction of the mail (Title 18 USC §1700- §1709). Mail is protected by the Universal Postal Union in Berne Switzerland. I will notify my contacts at the Universal Postal Union and Canada Post of this problem, if these allegations of my filing docket are indeed true. Should this be an error or the allegation in incorrect and unfounded, then I will disregard the Respondents' statement of September 19, 2007 in their response to my Motion. I look forward to your written confirmation under penalty of perjury, that my summary judgment is indeed intact. In the event I receive no such confirmation , I will accept your silence , lack of response and lack of written response as an admission that the allegations of the Respondents are indeed true and will pursue legal action to ascertain the reasons and circumstances as to why my summary judgment contains only one page in the filing. you may send any receipts, disbursements or documents to me at the following mailing address: C/O GD STN MAIN, EDMONTON, AB, T5J 2G8.

This Letter is Within the Admiralty (Title 28 U.S.C. §1337) and without the United States (Title 28 USC § 3002 (15) , Title 28 USC sec 1746(1)) . I Humbly Thank you for your time, consideration, oath and public service.
